

PTS Special Council Meeting
TRS Update
June 3, 2008 10:00 am

In attendance:

Kathleen Lynn, Jeff Thune, Holly Bugge, Anne Berman, Gino Galli, Manuela Hicks,
Mary Poirier, Diane Peart, Heidi Schwarz

Candace Hunter, Edna Chun and the Seigal Group rep Carol Mercer gave an update on the progress of the Total Reward Strategy. They had some technical problems with the laptop, so there was no display to follow.

The “job families” are all done and will shortly go out for a market study.
It appears the timeline (to be finished in June) will not be met.

“Unique” jobs were discussed and the fact that some jobs with the same title are different on each campus.

The update which was online is attached.

The meeting was brief because the group was going to make their presentation to the President’s management group.
