**Members Absent:** Gino Galli, Holiday Bugge, Sara Lee, Anne Berman, Kathleen Lynn, Tracey Bertrand

**Meeting called to order at 2:05pm**

We had a discussion about our meeting with President Armstrong on September 10, 2007. How he had listened to each PTS council member and that we feel that he has a positive attitude for all.

Judy Davidoff gave an update on Health Task force. That if approved by faculty the co-pays will be raised slightly but the employee contribution for family will not increase.

Raises for PTS employees were discussed. That the lowest paid will be increase to \$10.75 per hour and also receive the \$1000 raise to base.

Discuss on how counselors were given overtime pay for working the Saturdays in August for Open House and that PTS employees were only given comp time. The council believes that both parties should be offered the same. Judy Davidoff was asked to address this issue with Dr. Chun.

The council decided that at the beginning of each meeting will be have an open forum for all PTS employees so they can bring their concerns directly to the council. We will also try to have someone from Human Resources be at the open forum to address these issues.

PTS council members were asked to email Judy Davidoff any concerns that they would like brought to Presidents cabinet so they can be addressed.

The meeting was adjourned at 4:00 pm.
