

'On Target' is looking for your news

"On Target" is now completely digital and we're always looking for your news. Keep in mind that we especially like to hear about:

- BCC staff members who have gone above and beyond in the community for our "Extra Mile" feature;
- Ideas for our departmental feature;
- Achievements, awards and milestones; and
- Anything interesting or unusual.

Also, we welcome clear, digital photos with people in the shot identified. Submit your items to Rivka Spiro, rspiro@broward.edu. Thank you.
