|---|-----------------------------|
| Title: Academic Standards of Progress | Number: 6Hx2-4.23 |
| Legal Authority: Florida Statutes 240.319(3) | Page: 1 of 1 |

The regulations regarding academic standards of progress apply to all college credit and vocational credit students. In determining academic progress, college credit, vocational credit and college preparatory credit are combined. “Earned credit” is defined as all courses which the student receives a grade. Courses taken for audit, courses for which a student receives a refund, and courses in which a student has withdrawn during the withdrawal period will not be included in the determination of academic standing.

ACADEMIC WARNING

Any student shall be placed on academic warning at the end of a term if the student has earned 0-29.9 college and/or vocational credits and has earned less than a 1.5 cumulative grade point average. Students on academic warning should see an academic advisor or counselor prior to registering for the next term.

ACADEMIC PROBATION

Any student shall be placed on academic probation at the end of a term if the student has earned 30.0-45.9 college and/or vocational credits and has earned less than a 1.5 cumulative grade point average. Students on academic probation should see an academic advisor or counselor prior to registering for the next term.

ACADEMIC SUSPENSION

Any student shall be placed on academic suspension at the end of a term if the student has earned at least 46.0 college and/or vocational credits and has earned less than a 1.5 cumulative grade point average. Students academically suspended will not be permitted to enroll for one semester (fall, winter, or full summer) following the term in which they were suspended.

After the first academic suspension and after the student has satisfied the penalty, the student must see the Dean of Student Affairs or designee at the campus that they wish to enroll. The student must follow the instructions pertaining to course selection. Any subsequent suspensions will require the student to petition and appear before the Academic Standards Committee.
