

Policy Manual

Title: Policy Regarding Students with Human Immunodeficiency Virus (HIV) and Acquired Immune Deficiency Syndrome (AIDS)	Number: 6Hx2-5.16
Legal Authority: Fla. Statutes 1006.68	Page: 1 of 1

GENERAL STATEMENT

Broward College (“the College”) recognizes the serious adverse societal and educational impact associated with the Human Immunodeficiency Virus (HIV), and Acquired Immune Deficiency syndrome (AIDS).

In accordance with Florida Statute 1006.68, the student life offices on the campuses and centers shall implement a program that addresses the provision of instruction, information, and activities regarding human immunodeficiency virus infection and acquired immune deficiency syndrome. Such instruction, information, or activities shall emphasize the known modes of transmission of human immunodeficiency virus infection and acquired immune deficiency syndrome, signs and symptoms, associated risk factors, appropriate behavior and attitude change, and means used to control the spread of human immunodeficiency virus infection and acquired immune deficiency syndrome.

IMPLEMENTATION AND OVERSIGHT

The campus directors of student life, in consultation with the Associate Vice President for Student Development Services, are responsible for policy oversight and compliance.
