Policy Manual

Title: Emergency Procedures	Number: 6Hx2-7.01
Legal Authority: <i>Fla. Statutes 240.319 (2)</i>	Page: 1 of 1

In order to ensure the welfare of employees and students and the protection of College property during emergencies, the President of Broward Community College shall establish a collegewide program of emergency preparedness that includes campus plans which are site-specific and address communications with faculty, staff, and students. Emergencies such as bomb threats, hurricanes, fires, explosions, tornadoes, medical crises, hazardous materials spills, and civil disturbances should be addressed in these campus plans. The President is authorized to implement the procedures necessary to implement this policy.
