Davie

Subject: Agenda Item IV-G-1 - Curriculum Recommendations

Brief Description:

This enclosure contains the recommendations from the collegewide Curriculum Committee for the month of November. Recommendations include: Five new Computer Science courses as electives for a program of study; and six new courses in criminal justice that will be part of state-mandated modifications in a program of study at the institute.

Benefit to BCC:

Expands/updates the computer science offerings; meets updated state mandated public safety requirements for criminal justice program of study.

Relationship to College Master Plan and Priorities:

Updating computer Application Programmer technical requirements to keep graduates up-to-date for the workforce; updating criminal justice program of study requirements to meet state mandates.
