Subject: Agenda Item VI-B - SUCCEED Florida Grant

Benefit to BCC: BCC's EPI program has been awarded a SUCCEED, Florida grant for the 2007-2008 academic year. The SUCCEED, Florida grant enables BCC to offer EPI program participants full tuition reimbursement and a partial book scholarship. The grant will also pay the instructor salaries and fringe benefits for the EPI courses offered during the grant period. The financial impact of the grant is an award of \$274,960.00.

Relationship to College Master Plan and Priorities: The EPI and the SUCCEED, Florida grant are aligned with the Educational Master Plan goals 4 (Position Broward Community College to be the vehicle of choice for training Broward County's workforce) and 6 (Strengthen the relationship with Broward County School District). The programs are also in line with the college's strategic initiative of student success.
