Subject: Agenda Item IV-C-2-b-Recommendation for Electrical Contractors

This recommendation is for the selection of the term contractor for the collegewide electrical contractor.

Selection of a collegewide electrical term contractor will allow the college to obtain electrical services to help improve parking lot lighting, walkway lighting, upgrades and testing of emergency lighting. The electrical term contractor will also perform all electrical work associated with classroom technology upgrades, as well as electrical emergency services during hurricane season, if required.

The bid was advertised in newspapers, including Sun-Sentinel, Miami Herald-Broward Edition, El Heraldo de Broward, El Venezolano, El Sentinel, El Columbiano, Broward Times, and Caribbean-American Commentary. The bid was also listed with DemandStar, which notified 168 bidders, which included 33 M/WBE bidders. Four bids were received in Procurement Services

This process relates to Goal 8 - Make strategic choices about instructional programming and resources and will provide electrical contracting college wide as needed by the college.
