Subject: Agenda Item VIII-D- Private Contributions for Matching Purposes

Brief Description: Private contributions raised by the BCC Foundation for the time period of February 2, 2007 through February 1, 2008 have been submitted to the State of Florida for match through the Dr. Philip Benjamin Matching Program for Community Colleges. During this time period, \$3,580,793 was raised, which is eligible for \$3,262,489 in matching dollars.

Benefit to BCC: When these contributions are matched, the total amount that will be used in support of college scholarships, programs and equipment is \$6,843,282.

Relation to the College Master Plan and Priorities: Raising private contributions to be matched by the State of Florida relates to Goal #5 - BCC will increase entrepreneurial actions across the college by seeking new revenue sources - of Broward Community College's Education Master Plan.
