Office of the president

To: Members of the Board of Trustees

From: J. David Armstrong Jr., President

Date: February 27, 2008

Place: Regular Meeting of the Board of Trustees
Broward Community College
Judson A. Samuels South Campus
7200 Pines Boulevard
Pembroke Pines, Florida 33024

Subject: Agenda Item VIII-E - Project Status Report

The Project Status Report contains the college wide project status report listing the active construction projects in the college.

Maintaining a college wide project status report allows the Facilities Department to monitor the progress of all projects throughout the college to meet the requirements and needs of the programs and their support staff.
