

BROWARD COMMUNITY COLLEGE

We keep you thinking.

Office of the president

To: Members of the Board of Trustees

From: J. David Armstrong Jr., President

Date: March 26, 2008

Place: Regular Meeting of the Board of Trustees
Broward Community College
North Campus
Building 46 - Room 152
1000 Coconut Creek Boulevard
Coconut Creek, FL

Subject: Agenda Item VI - B - Procon Engineering, Inc.

Procon Engineering, Inc. is the engineering company that is being recommended as the collegewide mechanical, electrical, plumbing engineer for projects in which construction costs do not exceed \$300,000, for study activities when the fee for such professional services does not exceed \$25,000, or for work of a specified nature as may be outlined in the contract.

Approving this contract will allow the college to continue projects without interruption.

This contract approval falls in line with Goal 8 so that we can continue to provide updated facilities and services for our students.

RECOMMEND APPROVAL
