

BROWARD COMMUNITY COLLEGE

We keep you thinking.

Office of the president

To: Members of the Board of Trustees

From: J. David Armstrong Jr., President

Date: April 23, 2008

Place: Regular Meeting of the Board of Trustees
Broward Community College
Willis Holcombe Center, Boardroom 1208
111 East Las Olas Boulevard
Fort Lauderdale, Florida

Subject: Agenda Item IV - H - Donations

Brief Description: Donation of Anatomy and Physiology, Biology and Chemistry books to the Science Departments on Central Campus. This donation is by the family of Michelle Lawless a former employee of the Broward Community College Natural Sciences Department who was killed recently (October 7, 2007) in an all terrain vehicle accident while pursuing poachers in the Everglades.

Benefit to BCC: These books, when added to the science library, will further enhance the offerings that students, faculty, and staff can utilize in both classroom and research activities.

Relationship to College Master Plan and Priorities: These books will further allow the science departments to provide high quality educational programs as well as maintain their commitment to student achievement and academic excellence. The books will improve services to students and delivery of courses.
