## GENERAL STATEMENT

The Vice President for Facilities ~~and College Services and Campus Provosts~~ is authorized to establish a comprehensive program of safety and sanitation program for the protection of all persons Faculty, Staff, Students, and visitors. This comprehensive program shall include, but not be limited to, the following:

- The implementation and evaluation of a comprehensive safety plan in accordance with the *Criteria for Accreditation* of the Commission on Colleges of the Southern Association of Colleges and Schools.
- The adequate provision and use of safety equipment by Faculty, Staff and Students in laboratories and other hazardous areas
- The display of emergency evacuation procedures for all buildings
- Compliance with the provisions of the Florida Right-to-Know Act for all Hazardous Materials
- Compliance with the Occupational Safety and Health Administration's (OSHA) rule on occupational exposure to bloodborne pathogens
- Compliance with Rule 10D-104, *Florida Administrative Code, Biomedical Waste*

Annual Periodic safety, and sanitation, and fire safety inspections shall be conducted at least once during each fiscal year with a copy of the inspection report forwarded to the Department of Education and the State Fire Marshall's offices. If major deficiencies are noted in any inspection, the Board of Trustees shall be notified by the Director of Health, Safety, and Risk Management of plans to alleviate the deficiency problem and the cost of corrective measures.

## THE POLICY and THE STUDENT.

To ensure that all students have the ability to learn in a safe, healthy environment free from hazardous conditions.

## THE POLICY and THE FACULTY AND STAFF.

To ensure that all Faculty and Staff have the ability to work in a safe, healthy environment free from hazardous conditions.

## IMPLEMENTATION and OVERSIGHT.

The President has the authority to establish procedures to implement this policy with Board of Trustees approval. The VP for Facilities and Campus Provosts have the responsibility for the implementation and oversight of this policy, including the investigation of any alleged policy violations.

## VIOLATION OF POLICY.

All individuals in violation of these established policies may be subject to disciplinary action, up to and including termination.
