# BROWARD COLLEGE

Define yourself.

To: Members of the Board of Trustees

From: J. David Armstrong Jr., President

Date: August 25, 2009

Place: Regular Meeting of the Board of Trustees  
Broward College  
Boardroom 1208, Building 33, Willis Holcombe Center  
111 East Las Olas Boulevard  
Fort Lauderdale, Fl

Subject: Agenda Item VIII-College Presentation - Update on Program and Curriculum  
for Bachelor of Applied Science in Supervision & Management

Brief Description: Update on Program and Curriculum for Bachelor of Applied Science in Supervision and Management

Benefit to BC: With District Board of Trustees' approval in May 2008, Broward College sought and received approval from the Florida Department of Education to develop and deliver a Bachelor of Applied Science in Supervision and Management. This presentation will update the Board on progress to date and share program details. In addition, we are seeking BOT support to begin advertising the program in August, in order to recruit the first class, which is tentatively scheduled for January, 2010.

Relationship to College Master Plan: The development and delivery of the Bachelor of Applied Science in Supervision and Management degree program supports the College's access and penetration goal related to making strategic choices about instructional programming.
