To: Members of the Board of Trustees

From: J. David Armstrong Jr., President

Date: February 23, 2010

Place: Regular Meeting of the Board of Trustees
Broward College
North Campus, Bldg. 46/Room 152
1000 Coconut Creek Boulevard
Coconut Creek, Florida

Subject: Agenda Item VIII - Bachelor of Applied Science Supervision and Management
Update AND North Campus College Presentation-
E-Textbooks - Students and Faculty Textbook Affordability
Pilot Results

Brief Description: The campus is providing a brief presentation highlighting the first Bachelor of Applied Science Program in Supervision and Management and the successful implementation at North Campus during the winter semester of 2010.

Brief Description: The faculty and students conducted the E-Textbook Pilot over the last year because of the ongoing concern, for the majority of college students, are the cost of textbooks. The campus presentation will focus on the results of the pilot for which the President and Board of Trustees endorsed at last year's March meeting.

Benefit to BC: Fulfillment of Education Master Plan Goal 3

Relationship to College Master Plan: The Bachelor of Applied Science Program and the E-Textbook pilot are directly related to Goal 3 - Access, Enrollment, and Work Force Demand: Monitor and provide maximum access to learners to support increased workforce and enrollment demands and align workforce education programs with skill requirements of the new economy. Develop and implement the most-emergent technologies and teaching/learning methods and strategies that are flexible and responsive to local, national, and international needs.
