

# BROTHER TO BROTHER CREED

[www.broward.edu](http://www.broward.edu)

I will **RESPECT MYSELF** by engaging in positive behavior and developing **MY LEADERSHIP QUALITIES**.

I will enhance **MY APPEARANCE** and present myself in a professional, respectful manner as a role model.

I will **RESPECT MY SISTERS** and speak in ways that uplift them as the **SPECIAL** and **UNIQUE** individuals that they are.

I will **REFUSE TO PERPETUATE** negative stereotypes about my people.

I will **LEARN THE RICH CULTURE** and **LEGACY** of my people and the history that records my ancestors' contributions to the world.

I will **SEEK KNOWLEDGE CONTINUOUSLY** to prepare myself for making an impact on my brothers, my **PEERS** and the world community.

While **LIVING BY THIS CREED**, I will help to promote exceptional qualities for myself and my brothers to follow during our journey into **MANHOOD**.
