Florida Atlantic University
FAU opened its doors as the first public university in southeast Florida and the first in America designed for upper division students only. Since day one, FAU has pushed the bounds of higher education. Now, more than 50 years later, the University serves more than 30,000 freshmen, transfers and graduate students at sites throughout its six-county service region in southeast Florida.

Students choose from more than 170 degree programs, faculty researchers utilize more than 40 research centers and the community engages hundreds of cultural and educational events every year. Boasting 18 NCAA division 1 athletic teams and more than 300 student clubs and organizations, people from every walk of life find a place at FAU.
