Earned at Broward College [] Yes [] No If not, list credit-granting institution _____

To earn the Honors Certificate, Baccalaureate degree-seeking students must complete 12 Honors credits, including an Honors section of their Capstone course and an Honors thesis. Students must earn the grade of A or B to receive Honors credit in all Honors classes. (Only the grade of A is accepted for Honors credit when completing an Honors by Contract). All students must maintain a 3.50 GPA.

Students already enrolled in a Baccalaureate program and wishing to join the Honors Institute should contact a program advisor, campus Honors coordinator, or the District Office to review program and certificate requirements. Visit www.broward.edu/honors for more information.

By signing below, you are indicating that the information provided is correct and that the Honors Institute may discuss your current or prior education with relevant college officials:
