A Career in Math or Science Education Means

- Job Security: Only 3.6% of students in Teacher Ed Programs major in math, 2.7% major in science, and 40% major in elementary education.
- Critical Shortage: In 2013, there were 205 math and 254 science vacancies in Florida.
- Loan Forgiveness
- Excellent Benefits

Join us for an interactive, hands-on event exploring the evolution of the math & science education profession!
