Career Pathway: [Business](#)

Location(s): [GE courses for this program are offered at all BC locations.](#) The Paralegal Studies (PLA) courses are only offered at the Judson A. Samuels South Campus, and the North Campus. Please consult the course schedule for specific semester locations.

Program Entrance Requirements: HS Diploma or GED

Program Description: The Associate of Science degree in Paralegal Studies (Legal Assisting) is a program designed for students seeking a career in a law-related field as a paraprofessional. The program is approved by the American Bar Association (ABA). Upon successful completion of this program, a student will be able to work under the supervision of an attorney and perform many vital functions as a paralegal. Paralegals may be responsible for interviewing, investigation, research, document preparation, and other tasks. They cannot, however, engage in the actual practice of law by doing such activities as giving legal advice, setting fees, negotiating, or representing clients in court. Paralegals work in law firms, legal departments of major corporations, government agencies (federal, state and local), real estate departments of large businesses, trust departments of banks, brokerage houses, and insurance companies. Visit the program's [website](#) for more information.

Transfer Credits

Broward College's Paralegal Studies Program honors credits for courses taken at other institutions that are fully accredited by a regional or national accrediting agency recognized by the United States Department of Education, participate in the Florida statewide course numbering system, and are judged by the appropriate common course designation and numbering system faculty task forces to be academically equivalent to legal specialty courses offered at Broward College. All other legal specialty courses that are completed and transcribed from either an accredited institution or an ABA-approved program will be evaluated by the Program Manager for specific course equivalencies and how accepted credit(s) will be applied toward specific degree requirements. No student shall be awarded credit for legal specialty courses by exam or experiential learning.
