

General Education at Broward College

Philosophy of General Education

General Education is an integral part of the learning experience at Broward College. It is designed to provide a broad foundation of knowledge, skills, and behaviors, beyond what can be found in any specific discipline or program. This prepares students to be independent, lifelong learners, assuming roles of responsibility in the global community.

Broward College has established eight competencies that form the foundation of the learning outcomes in our courses. These competencies are:

- Read with critical comprehension
- Write clearly and coherently
- Demonstrate literacy as appropriate within a given discipline
- Apply problem solving skills or methods to make informed decisions in a variety of contexts
- Differentiate between ethical and unethical behavior
- Demonstrate an understanding of the physical, biological, and social environments and how individual behaviors impact this complex system.
- Demonstrate an understanding of and appreciation for human diversities and commonalities
- Speak and listen effectively

The College offers four different types of degrees. These are Associate in Arts (AA), Associate in Science (AS), Associate in Applied Science (AAS), and Baccalaureate degrees (BAS, BS, and BSN). Different degrees have different General Education requirements based upon:

- Florida Statutes (1001.02, 1007.23, 1007.25)
- State Board of Education Rules (6A-14.030 and 6A-10.024)
- Southern Association of Colleges and Schools – Commission on Colleges (SACSCOC) Core Requirement 2.7.3 & Comprehensive Standard 3.5.1
- Broward College's Policy (6Hx2-4.22).

For AA and Baccalaureate degrees, Broward College requires a total of 36 credits of General Education coursework in five areas – Communications, Humanities, Social/Behavioral Sciences, Biological/Physical Sciences, and Mathematics. Specific information follows in the next section.

For AS degrees, Broward College requires 18 credits of General Education coursework in the five areas - Communications, Humanities, Social/Behavioral Sciences, Biological/Physical Sciences, and Mathematics. The specific requirements are outlined on the individual program sheets.

For AAS degrees, Broward College requires 15 credits of General Education coursework in four areas – Communications, Humanities, Social/Behavioral Sciences, and Mathematics/Science. The specific requirements are outlined on the individual program sheets.

The requirements shown below are valid beginning Fall 2015, and may not reflect degree requirements for current students. Current students should visit My BC and, under Advising, refer to the Interactive Degree Audit to see specific degree requirements for their effective term.

General Education Block Transfer Guarantee for AA Degree Students: Per State Board of Education Rule 6A-10.024, once a student has been certified by an institution on the official transcript as having completed satisfactorily its prescribed general education core curriculum, regardless of whether the associate degree is conferred, no other public postsecondary institution to which he or she may transfer in Florida shall require any further such general education courses.

General Education Requirement for the Associate of Arts degree
Effective 20161 (August 2015)

	Communication (9 credits)	Humanities (6 credits)	Social Sciences (6 credits)		Sciences (9 credits)		Mathematics (6 credits)

(*) = This course is not offered at Broward College. It will be accepted as General Education Core transfer credit from other Florida colleges and state universities.

(C) = this course requirement can be satisfied through appropriate test scores on the CLEP exam.

(I) = this course counts toward the international/intercultural requirement in the AA and baccalaureate degrees.

(W) = this course counts toward the writing requirement in the AA and baccalaureate degrees.

Associate of Arts Program Code 1010

Program Description: The Associate of Arts (AA) degree is the traditional transfer degree. Students who earn the AA are able to remain at Broward College, transfer to another state college, or a state university in order to continue their education and pursue a baccalaureate degree.

Career Pathway: Arts, Humanities, Communication & Design (AHCD)

Program Entrance Requirements: HS Diploma or GED

Additional Program Information: The Associate of Arts degree includes 36 credit hours of General Education and an additional 24 credit hours of electives. The elective credit hours should be selected based on the student's transfer major. Students are encouraged to review the state's Common Course Prerequisite Manual (www.flvc.org/partner-portal/common-prerequisite-manual) for additional guidance.

Art/Design Student Advising

Prior to seeking general academic advisement on their home campuses, AA students majoring in art must first seek advisement on the visual art/design course of study through the office of the Visual & Performing Arts Department on Central Campus (Building 4, Room 130) or on South Campus (Building 71, Room 105).

You will earn Technical Certificates related to your program of study as you earn your AA, AS, AAS or Bachelor's degree.

Location(s): Courses are offered at all college locations, including online. Please consult the course schedule for specific semester locations.

Bachelor Degree Majors Include:

at Broward College

ASC1010 History of Aviation **or**
EET1084C Introduction to Electronics **or**
BCT2760 Building Codes and Regulation 3

*The specific English and Math course will depend on the student's test score.

**Registration depends on the student's test score.

- Many courses have specific pre-requisite and co-requisite requirements that must be followed. Students are encouraged to consult the Course Information Table for a detailed list of all requisite requirements.

If the student attends part-time (less than 12 credits), it is highly recommended that the student complete English and Math in the first term.

Students are strongly encouraged to meet with an advisor to create an educational plan.

Associate of Arts Program Code 1010

Program Description: The Associate of Arts (AA) degree is the traditional transfer degree. Students who earn the AA are able to remain at Broward College, transfer to another state college, or a state university in order to continue their education and pursue a baccalaureate degree.

Career Pathway: Public Safety

Program Entrance Requirements: HS Diploma or GED

Additional Program Information: The Associate of Arts degree includes 36 credit hours of General Education and an additional 24 credit hours of electives. The elective credit hours should be selected based on the student's transfer major. Students are encouraged to review the state's Common Course Prerequisite Manual (www.flvc.org/partner-portal/common-prerequisite-manual) for additional guidance.

You will earn Technical Certificates related to your program of study as you earn your AA, AS, AAS or Bachelor's degree.

Location(s): Courses are offered at all college locations, including online. Please consult the course schedule for specific semester locations.

Bachelor Degree Majors Include:

at Broward College

Exceptional Student Education
Middle Grades General Science Education
Secondary Biology Education
Middle Grades Mathematics Education
Secondary Mathematics Education
