

OFFICE ADMINISTRATION
Office Administration Associate in Science
Specializations: Office Management; Office Software; Medical Office; Legal Office

Program Description

The Office Administration Associate in Science Degree emphasizes competencies used by various office support personnel. Students will have the opportunity to develop expert skills in keyboarding, software applications, business ethics and communications, and office management. Students may choose a specific career path in Legal, Medical, or Office Management. This program is currently offered at the South and North campuses.

Technical Certificates that may lead to an Office Administration AAS degree are: Office Management Technical Certificate (6237); Medical Office Management Technical Certificate (6281); Office Specialist Technical Certificate (6280); and Office Support Technical Certificate (6279). (See catalog or program sheet for more information.)

OFFICE ADMINISTRATION
Office Administration Associate in Science (cont.)
Specializations: Office Management; Office Software; Medical Office; Legal Office

- ❖ General Education courses must be selected from the list of AS Degree courses found in the College Catalog/posted online at www.broward.edu/studentresources/advising/Pages/gened.aspx
- * Requires a pre- or co-requisite or proper score on placement test. See course descriptions in this catalog or online at www.broward.edu/zext/ext/CourseDescDepartmentList.jsp.
- ** Students must fulfill the computer literacy requirement within the first 15 credit hours of enrollment at BC by successfully completing the CGS1060C course or passing the basic student technology test. Students passing the basic student technology test will be required to take Keyboarding II in replacement of the 3 credits.
- # May take elective credit from the following courses: OST1110L, FIN1100, GEB1011, ACG2450C

It is strongly recommended that students see an advisor every term.
