

Digital Media/Multimedia Production Technical Certificate Program Code 6287

Program Description: This program is designed to prepare students for initial employment as Digital Media/Multimedia Production Technicians or Digital Media/Multimedia Developers, or to provide supplemental training for those already employed in the field. This basic-to-intermediate certificate provides students with the computer, production, and digital media skills needed to create digital media/multimedia projects.

Career Pathway: Arts, Humanities, Communication & Design (AHCD)

Program Entrance Requirements: HS Diploma or GED

Additional Program Information: Coursework is comprehensive with the use of computers, designing and arranging art, drawings, photos, text, and other visual resources. Students are able to attain this certificate while completing an A.S. degree in Digital Media/Multimedia Technology.

Related Industry Certifications: N/A

Location(s): General Education courses can be taken at any college location. The core courses for the Digital Media/Multimedia Technology program are only offered at the Judson A. Samuels South Campus. Please consult the course schedule for specific semester locations.
