

Bachelor of Applied Science in Supervision and Management Program Code T100

Program Description: The Bachelor of Applied Science Degree in Supervision and Management is designed to provide individuals who hold an Associate in Science (AS) or Associate in Applied Science (AAS) degree the opportunity to further their education. Students with the Associate in Arts (AA) degree are also welcome to apply. Students completing this program will have the skills and knowledge required to become successful managers and leaders within public, private, and non-profit organizations. The curriculum offers a learner-centered practical approach to understanding supervision and management.

Career Pathway: Business

Program Entrance Requirements: Minimum AA, AS or AAS degree or 60 completed semester credit hours (from a Regionally Accredited Institution) and 2.0 out of 4.0 GPA in all previous post-secondary work. Students with an Associate in Arts degree or 60 credit hours but not holding a degree may be admitted to the program if the AS General Education requirements have been satisfied and other criteria are met upon the recommendation of the Dean of Business and Management Programs.

Additional Program Information: N/A

Related Industry Certifications: N/A

Foreign Language Requirement: Students must successfully complete the foreign language requirement as prescribed in college policy and the college catalog.

Location(s): Courses are offered at all BC locations. Please consult the course schedule for specific semester locations.

Contact information: Program contact information can be found at <http://www.broward.edu/academics/programs/supervisionmanagement/Pages/default.aspx>

Notes: Many courses have specific pre-requisite and co-requisite requirements that must be followed. Students are encouraged to consult the Course Information Table for a detailed list of all requisite requirements.

*MAN393X: MAN3930, MAN3931 and MAN3932 are offered on a rotational basis, with only one course offered per term. Seminar topics change frequently. A total of two semester credits from these offerings is required.

**It is recommended that students complete MAN4720 and MAN4900 during their final two terms.

General Education and Lower Division Elective Courses will vary based on a student's transcript.

Students are strongly encouraged to meet with a BAS advisor to create an educational plan.
