

Paramedic Technical Certificate – 6208

Career Pathway: [Health Sciences](#)

Location(s): [General education courses are available at all BC locations. Program specific courses for this program are offered at the A. Hugh Adams Central Campus and North Campus.](#)

Program Entrance Requirements: HS Diploma or GED. The Paramedic Technical Certificate is a limited access program. Students are required to complete a supplemental application and meet specific criteria. There are a limited number of students admitted into the program each year. Please refer to the Health Science Admissions information posted [online](#).

Program Description: The Paramedic Technical Certificate (TC) is milestone two (2) for completion of the Emergency Medical Services Associate in Science degree. Satisfactory completion of advanced course in the Paramedic TC program will enable students to take the Florida State Paramedic and National Registry of Emergency Medical Technicians Paramedic Examination. Visit program's [website](#) for additional information.

Additional Program Information: Students must complete all required coursework with a grade of "C" or higher, all paramedic level EMS prefix courses must be taken at Broward College. The Emergency Medical Services Paramedic program is accredited by the Commission on Accreditation of Allied Health Education Programs (www.caahep.org) upon the recommendation of the Committee on Accreditation of Education Programs for the Emergency Medical Services Professions (CoAEMSP).
