Vitas Innovative Hospice Care (VITAS) Scholarship

(Awarded each year up to 9500.00)

Scholarship application information:

- This scholarship is established with Vitas Innovative Hospice Care.
- The scholarship includes internship opportunities for the RN-BSN student interested in pursuing a career in Hospice, End of Life and Palliative Care.
- There are three (3) scholarships awarded per academic semester.
- Each Scholarship is for one year and each student will be awarded.
- The scholarship will cover Cost of Attendance. “Cost of Attendance” shall mean the cost of tuition, textbooks, supplies, uniforms, required lab fees, registration fees, and testing fees up to $9500.00.
- In return for the scholarship, the student will sign a work agreement titled “Financial Assistance Program for Bachelor of Science in Nursing Students” with VITAS.
- The student agrees to work for VITAS for two (2) years following the completion of the one year program at Broward College.

Criteria for the scholarship:

- Student must be admitted to the RN-BSN Program in the full time tract
- Student must have and maintain a minimum of 2.5 GPA
- Students must provide transcripts/grades at the end of each semester to VITAS
- Student must be a US Citizen and a resident of Florida
- Student must have completed an accredited RN program and must have an active State of Florida license before applying for the scholarship.
- Student must receive a letter of recommendation from their employer or the Associate Dean of the RN-BSN Program School to be submitted with the scholarship application.
- Student must complete the RN-BSN program at Broward College.
- Student must have completed one full time college semester before applying for the scholarship
- Student must submit their application directly to VITAS for scholarship consideration and will be interviewed by a VITAS recruiter.
