Course Description:
This 80 hour course provides the officer with skills for reconstruction of serious injury and fatal accidents. The participant will gain an understanding and application of skills for analyzing data collected at the scene. Participants should have completed the Basic Traffic Homicide Investigation and Advanced Traffic Homicide Investigation courses.

Course Objectives:
At the end of this program, students will:
♦ Determine speed at any time in a skid
♦ Determine momentum after collision
♦ Understand Crash III and Measuring Protocol
♦ Describe how to complete a traffic accident investigation with a motorcycle
♦ Identify the center of mass travel
♦ Apply formulas
♦ Understand the quadratic equation

Who Should Attend:
♦ Traffic homicide investigators
♦ Investigators
♦ Police Service Aides that conduct accident investigations

Instructors:
Steve Ashburn has been a law enforcement officer for 35 years. He was with the Florida Highway Patrol for 33 years. He is recognized as an expert witness and subject matter expert by the Florida Highway Patrol and several Judicial Circuits in Florida.

Jimmy Starling has several years of traffic accident investigation and reconstruction experience.

Fees:
None for certified officers and authorized support personnel.

End of Course Examination: CJSTC Rule 11b35.001 9(b): A student enrolled in a Commission-approved Advanced or Specified Specialized Training Program Course shall achieve a score of no less than 80% on the written end-of-course examination. A student enrolled in a Specialized Instructor Training Course shall achieve a score of no less than 85% on the written end-of-course examination, exclusive of demonstration of any proficiency skills.

Attendance: Attendance at the initial class is mandatory. All students must adhere to the attendance requirements of the Criminal Justice Standards and Training Commission and the Rules, Policies and Procedures of the Institute of Public Safety

Dress Policy: Your department’s authorized training uniform. Law enforcement personnel not in uniform that are carrying exposed firearms must prominently display agency ID and/or badge at all times while on college property.

Submit Registration form to:
Institute of Public Safety, 3501 Davie Road, Davie, Florida 33314, Attn: Professional Development
FAX: 954.201.6305  •  For further information, please call 954.201.6787 or 954.201.6769

This course is applicable to either Mandatory Retraining or Salary Incentive. Federal I.D. #59-1216107
