

Broward County School Board Employees

Every student registered for field experience must be fingerprinted and receive a badge in order to go into any Broward County school. If you are a current Broward County School Board Employee who has been fingerprinted already, please obtain a Badge Request Form from the Education Placement Office and bring it together with a piece of identification to the Security Clearance Office located on the first floor of the KC Wright building to receive your badge. The fee will be \$5.

Security Clearance Office

KC Wright Building

600 SE Third Avenue

Fort Lauderdale, FL 33301

For direction, please use www.mapquest.com

Once you have obtained your badge, you are required to send a copy of your badge to the Education Placement Office. You will not be approved for placement without the copy of your badge. The badge can be faxed to 954-201-8271.
