<b>Other Available Courses</b>							

**Note:** Declared Music major students MUST submit to an audition process at the beginning of their studies. Those students who declare music as a major but cannot read music MUST take MUT1001 Fundamentals of Music in order to progress in their major. Music majors should look at the Broward College catalog for full details as to the composition of the general education component of their curriculum. Broward College's Music Program is fully accredited by the National Association of Schools of Music.
