Applying to Broward College
A Guide for New Dual Enrollment Students

Step 1: Access the Broward College website at www.broward.edu and click the Apply Now button as shown below after meeting with a Guidance Counselor for approval of eligibility.

Step 2: Click on High School Dual Enrollment/Early Admission from the list of options on the right column.
Step 3: Click on the **New Student Admission Process** to complete the required admission application.

Step 4: Create an application log in and begin filling in the requested information.
Step 5: Dual Enrollment students should complete the application and **do not** claim Florida Residency. Click on the option shown below.

![Residency Statement](image)

I understand that I do not qualify as a Florida resident for tuition purposes for the term to which I have applied. I also understand that if I should qualify for Florida residency in some future term, I must file the required documentation prior to the beginning of that term.

I AM claiming in-state residency for tuition purposes.

Step 6: After filling in all requested information, click the “**submit my Application**” button to complete the application process.
Step 7: Upon successful submission of the application, a confirmation page will appear with an assigned Broward College student ID number. This number will be used as the student’s identifier at the College.

Congratulations!  
Your application was successfully submitted

**DO NOT PAY THE APPLICATION FEE**

Step 8: Meet with the Guidance Counselor to discuss course options.

Required registration forms authorizing the number of courses to enroll, specific approved courses, and alternate courses will be identified by the Guidance Counselor.

Refer to the Dual Enrollment Checklist to complete all requirements for enrolling as a dual enrolled student at Broward College.
