

BROWARD COLLEGE

Health Science Students Criminal Background Check and Drug Screening

In accordance with a new standard/requirement by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO), students enrolled in any health science program that requires a clinical experience in a hospital or other health care facility must submit to a level II criminal background check, a drug screening test, and Hospital Corporation of America requirements. The same requirements pertain to students who apply for entrance into a health science program.

In adherence to this new JCAHO mandate, all current and future health science students must obtain a level II criminal background check, a drug-screening test, and Hospital Corporation of America requirements. The student is responsible for paying the costs for each test. The results of said tests may require that Broward College withdraw the student from the program. This action is necessary due to the student's inability to access clinical facilities for training purposes required as a part of the instructional program.

Criminal Background Check and Drug Screening Process

1. The first point of contact at BC (admissions counselor, academic advisor, associate dean, etc.) informs current and incoming students that a level II criminal background check, drug screening, and Hospital Corporation of America requirements are prerequisite tests for health science students.
2. The student is provided the location(s) where criminal background testing (fingerprinting), Hospital Corporation of America requirements, and drug screening will be conducted.
3. The health science student completes the appropriate Criminal Background Check Student Forms (**FDLE Waiver Form and Live Scan/Electronic Submission Form**) for submission to the fingerprinting site. Health science students are required to complete Hospital Corporation of America requirements and drug screening (**forms provided by the health science admission contact**) in addition to the criminal background check. The forms are required for current and new students who require security clearance to access a clinical facility for training purposes.
4. The student goes to **Statutory Fingerprinting & Notary, Inc.**, to complete the background check. Statutory Fingerprinting and Notary, Inc. is located at:

4121 NW 5th Street, Suite 101
Plantation, FL 33317-2158
Telephone: 954-585-8899

5. The student presents a valid driver's license or an official picture ID, and pays the **\$60 fee** in the form of a credit card, money order, or cashier's check ONLY. Cash will not be accepted.
6. After the Live Scan fingerprinting has been completed, the FDLE VECHS Waiver Agreement and Statement will be faxed to FDLE by Statutory Fingerprinting & Notary, Inc. A nominal fee (**\$1**) will be charged to fax the form to the Florida Department of Law Enforcement (FDLE).

7. Students who do not provide the required documentation or who are not subsequently "cleared" will not be allowed to register or continue in the health science program.
8. The BC Background Check Contact Person should maintain records containing the final disposition of the criminal background check on each student. Periodic cross-reference checks should be conducted to verify that all students took the test.
9. The student is required to self report any arrest to the Health Science Department in writing within 48 hours of the incident.
10. FDLE with the assistance of the FBI will provide Broward College with the following:
 - An indication that the person has no criminal history, i.e., no serious arrests in state or national databases, if there are none;
 - The criminal history record (RAP sheet) that shows arrests/and or convictions for Florida and other states, if any;
 - Notification of any warrants or domestic violence injunctions that the person may have.

Important Information for students:

1. Please bring \$60 payable to Statutory Fingerprinting & Notary, Inc. (see attached instructions for specific payment methods)
2. You must have a valid driver's license, or official government-issued picture identification (no exceptions).
3. Please complete and bring a VECHS Waiver Agreement Form and the Live Scan/Electronic Submission Form.

Statutory Fingerprinting & Notary, Inc. will:

- (a) Give a receipt to the student.
- (b) Return a copy of the form to the custodian of student records at BC.
