

# Broward Community College & Delta Connection Academy

Cordially Invite You to  
The unveiling of the new CIRRUS SR-20

## Generation Next

 **Delta Connection**<sup>®</sup>  
ACADEMY

**SATURDAY, FEBRUARY 17th, 12:00 – 2:00 PM**  
**HOLLYWOOD/NORTH PERRY AIRPORT**  
**At the BCC South Campus Aviation Institute**

With its fully integrated electronic cockpit instrument displays, amazing GPS capabilities, and composite airframe, the CIRRUS SR-20 is considered the most advanced training airplane in the world. And this is only the tip of the iceberg of the changes coming to BCC's Professional Pilot Technology Program, dedicated to educating and training future aviation professionals.

**Come and witness history being made!**
