**ENROLLMENT PLAN
FOR PROFESSIONAL PILOT STUDENTS**

Student Name _____ Student ID# _____

Students who are accepted into the AS 2107 Professional Pilot Program may have their annual Financial Aid budget increased with the following conditions:

- Must be degree seeking in the AS 2107 program and adhere to this educational plan.
- Must maintain satisfactory academic progress in accordance with the financial aid guidelines as indicated in the appropriate Broward Community College Catalog.
- The Aviation Department must contact Financial Aid Department if at any time the student audits, withdraws, or fails to register for any of these classes.

This information will be used to reflect the additional cost of flight training. These amounts will be added to the student's cost of attendance for the term indicated.
