International Student Admissions

International Students (F-1 Student Visa Status)

Broward Community College embraces a multicultural, diverse student environment, and encourages applications from students all over the world. International applicants should contact the International Admissions Coordinator at (954) 201-7468 three to six months in advance of the semester they hope to begin studies at BCC to obtain an international student admission packet. The packet contains general information and the specific requirements for admission to BCC. Deadline dates are included in the packet.

Admission Requirements

The following documents are required for admission to BCC.

1. A completed International Student Application, along with a non-refundable \$75.00 application fee.
2. If a student has a Social Security Number (SSN) or a Taxpayer Identification Number (TIN), federal law requires that it is furnished to Broward Community College (BCC) so that it may be included on all documents filed by the institution with the Internal Revenue Service. Students who fail to furnish BCC with the correct SSN or TIN may be subject to an IRS penalty of \$50 unless the failure is due to reasonable cause and not to willful neglect.
3. A copy of a high school diploma or its equivalent: GED or four academic passes in GCE, CXC, BGCSE or HKCE exams in General Proficiency. Secondary school diplomas do not have to be translated to English with the exception of Hebrew, Arabic or Asian. All applicants must have the equivalent of a United States high school diploma and college preparatory program.
4. If you have attended a university outside the U.S, please attach a copy of the original documents in the language of your country, along with an official translation from a certified translation company. University transcripts must have a cumulative GPA of 2.0 or its equivalent. Within 30 days of admission, a course by course commercial evaluation is required of all university work completed.
5. Official transcripts from all U.S. colleges/universities attended. If an applicant is transferring from a U.S. university, a minimum overall GPA of 2.0 is required. Transfer students are required to submit a copy of the form I-20 from the last institution attended along with verification of full time status.
6. Evidence of English proficiency if English is an applicant's second language. All applicants must provide a copy of the Test of English as a Foreign Language (TOEFL). A minimum TOEFL score of 500 (written) or 173 (computerized) is required for admission to BCC. We also accept

the IELTS test with a minimum grade of 4 or better. Students who are in the United States may take the BCC-ESL placement test along with a writing sample. Testing will be done only after the application is submitted and the application fee is paid.

7. A statement of financial support. All international applicants must show that they have sufficient funds to cover the "total cost of education" (tuition, fees, books, living expenses, transportation, and incidental expenses). Currently, the total cost of education is \$18,000 in U.S. dollars. Proof of the availability of \$18,000 per full calendar year for all expenses is mandatory.
8. AFTER ADMISSION applicants must show proof of health insurance.

After Meeting Admission Requirements

Within two to six weeks, the International Office will provide the following:

1. an acceptance letter with the I-20 eligibility form;
2. an acceptance letter indicating the student must contact the International Admissions Office regarding his/her visa status;
3. a letter requesting additional information, indicating which items are missing; or
4. a letter of denial, indicating the reason for the denial.

International students obtaining the student visa in their country cannot enter the U.S. more than 30 days before the first day of classes. Once in the U.S., the students will be able to complete the on-campus advisement and registration process. International Students are requested to report directly to the International Student Advisor/Counselor on the campus the student plans to attend for placement testing, advisement, and registration. Placement testing scores will determine if the student must enroll in developmental courses in Math, Reading or English. These courses carry credit, but do not apply toward a degree.
