Parking Payroll Deduction Authorization

I hereby direct and authorize the BC Payroll Department to deduct 50% of the prevailing parking rate from my salary, semi-monthly, starting _____ for the purpose of parking in the selected parking facility. It is understood that each month's deductions are in payment of the next month's parking (ex. June for July). Note that the requirement to pay in advance for the first month of employment at WHC may require double-deductions (paying for current and next month's parking).

This authorization shall continue in effect until revoked by me in writing or until Fort Lauderdale City Park or Nation's Bank shall cease to offer parking facilities to BC employees.

If the monthly price for parking should change, then I understand that the new price will apply.

I also understand that my vehicle must have the appropriate Parking Hang-Tag clearly visible in the window.

I understand that the parking fee is for all or any portion of a calendar month and that no refund is owed if parking is not used due to illness, vacation or other leave or for failure to notify BC in advance that this parking agreement is to end.
