

Did you know you can make **DEPOSITS TOWARDS** your next term's tuition?

Example:

- Spring tuition in the amount of \$500.00 is due by 12/6/09
- A \$10.00 parking fine is also due

You can deposit any dollar amount as often as you like as long as the total amount due (\$510.00) is paid in full by 12/6/09.

Simply stop by any campus Cashier's Office and deposit any dollar amount towards your tuition and fees. There are no minimum payment amounts or maximum number of deposits.

The only restriction is that your tuition and all other College debt must be paid in full by your fee payment due date.

To make tuition deposits, inform the cashier that you want to make a partial payment towards a specific term. The cashier will provide you with a payment receipt reflecting the deposit amount and the term to which the payment was applied. Your deposit will be placed in a holding account and upon making your final payment, your tuition and all other College debt will be marked paid in full.

Please ask your campus Cashier's Office about making partial deposits prior to your fee payment due date!!
