### Tigertail Lake Center

The Tigertail Lake Center provides watersports programs, a conference facility, the ropes challenge course, recreational trips, and credit and non-credit watersports classes. Watersports training and recreational opportunities are offered in sailing, windsurfing, snorkeling, and kayaking to all BCC faculty, students, and staff. Students are welcomed to get involved in these programs by taking a Continuing Education or Wellness activity class at Tigertail Lake. Monthly watersports classes offered off-site in the Florida Keys are available to hone watersports skills. These monthly trips offer students

the opportunity to experience an open water environment. Most activities at the Tigertail Lake Center are available without charge to BCC students and student organizations. The Ropes course offers students open challenges once per month for the chance to experience climbing opportunities at Tigertail Lake. The Tigertail Lake Center is located on the entrance drive to Outdoor World in Dania Beach. Please call the Watersports Office at (954) 201-4500 for information and a brochure, or visit Tigertail Lake online at <http://www.broward.edu/>.

### Intercollegiate Athletics

The purpose of the BCC intercollegiate athletic program is to provide an opportunity for students to learn the values of self-discipline, sportsmanship, team building, and academic excellence. BCC Intercollegiate athletics fosters the development of physical, intellectual, emotional and social skills in student athletes and encourages athletes to carry these lessons onto the playing field, into the classroom, and in the community. BCC currently fields teams in men's and women's basketball, men's baseball, women's softball, women's volleyball and women's tennis. Scholarships are offered to some student athletes. For more information, call the Athletics Office at (954) 201-6853 or visit Athletics online at <http://www.broward.edu/>.

Many student editors receive scholarships to produce *The Observer*. For more information, contact the advisor, at (954) 201-8035.
