Students who intend to complete an associate degree (A.A., A.S., or A.A.S.), must have a standard high school diploma or GED, or must be home education graduates who complete requirements in accordance with Florida Statutes. To be admitted, degree seeking students must submit official transcripts from high school and all colleges attended, within 30 days of the start of their first term. The applicant is responsible for verifying that BCC has received transcripts. Transcripts must be received in order to insure future registration.

Applicants must also provide placement information, as follows:
First-time-in-college students must present placement test scores (See Placement Testing, page 52).

Transfer students must present placement test scores, complete placement testing or submit transferable credits in English and Mathematics courses that satisfy the General Education requirements.

Degree Holding Students must present an official transcript from the regionally-accredited institution from which the degree was awarded. Transcripts from out-of-country universities must be commercially translated and evaluated before being submitted. Contact campus registration offices for more information.

Certificate/Applied Technology Diploma Students
Requirements for students who intend to complete a Vocational Certificate, Technical Certificate or Applied Technology Diploma vary from program to program. Some programs do not require a high school diploma. For a listing of the specific requirements for certificate and applied technology programs, refer to page 126 Program Admission Requirements. Documents that may be required include:

• high school diploma or GED

• placement test scores (TABE or CPT)

See page 30 for additional information.

Non-Degree/Non-Certificate-Seeking Students
Students who wish to take college credit or vocational credit courses for personal enrichment or career exploration, and who do not intend to seek a degree or a certificate, will be admitted as non-degree seeking students. Non-degree seeking students:

• are not required to submit placement test scores;
• are required to adhere to pre-requisites, which may create a need for assessment or transcripts;
• may register for no more than 12 semester hours without declaring intent toward a major and completing the full admission process, including assessment, transcripts, etc;
• are not eligible for financial aid.

Returning Students
Returning students who have not attended BCC for two or more major semesters (does not include summer term) must submit a Re-Entry Application to update personal information, (which includes your valid SSN or TIN number, see additional information under the section labeled “How to Apply” item number 3 in this chapter), re-certify Florida residency and to verify educational goals. If the returning student requests a change from non-resident status, a petition for reclassification must be filed with the Associate Vice President for Student Affairs/College Registrar. If the student has attended another institution in the interim period, an official electronic transcript must be submitted to BCC from that college. The applicant must be in good academic standing at the last college attended at the time of re-entry. There is no fee for the Re-Entry Application.

Transfer Students
Transfer students are students who have previously attended another college or university and wish to continue their education at BCC. Transfer students must provide official transcripts from all previously attended colleges or universities. Transcripts should be sent to Broward Community College, 225 East Las Olas Blvd., Fort Lauderdale, Florida 33301, within 30 days of the start of the first term of enrollment.

Transfer students should also observe the following requirements:

Requested documents must be presented within 30 days to register for future terms.

Transient Students
Transient students are students who are currently enrolled at another institution and have permission from that institution to take one or more classes at Broward Community College. These students do not intend to transfer to, or seek a degree or
certificate at BCC. These students are required to do the following:

- Complete a BCC application at www.facts.org. The student must provide a valid SSN or TIN number, see additional information under the section labeled “How to Apply” item number 3 in this chapter), and pay the non-refundable application fee.

- A letter from the home institution should indicate that the student is in good academic standing and state the specific courses the student is being granted permission to take.

Transient students should note that some BCC courses may have prerequisites or co-requisites, including labs. Transient students accept full responsibility for possessing or acquiring, at the time of enrollment, the knowledge and/or skills that these pre-and co-requisites provide.

Transient students are responsible for requesting that an official transcript be sent to their home institutions after completion of coursework at BCC.

All applicants seeking admission to programs in Health Sciences must complete the Health Science admission process in addition to completing the BCC admission procedure. This includes completion of a Health Science application, paying an additional non-refundable Health Science application fee, and meeting prerequisite course requirements.
