Libraries

The library on each of the College's campuses is a joint use facility. Consequently, policies, procedures, and hours of operation differ slightly from one location to another.

On the A. Hugh Adams Central Campus, the University/College Library is located in building 17. This is a joint library of A. Hugh Adams
Central Campus and Florida Atlantic University. The goal of the library is to provide academic support programs of study and to create a stimulating environment that will encourage academic achievement. Students may use LINCC, the electronic catalog, and databases available in-house and through other automated systems to facilitate research. All resources are accessed through the University/College web page.

Students on the College's North and Judson A. Samuels South Campuses are also served by joint-use facilities. The College and the Broward County Public Library System jointly operate these libraries. On North Campus, the joint BCC/Broward County Library is located in building 62, and on the Judson A. Samuels South Campus, the joint BCC/Broward County Library is located in building 72.
