## BACHELOR OF APPLIED SCIENCE PROGRAMS

---

The Bachelor of Applied Science (BAS) is designed as a learner-centered degree program that provides specific program learning outcomes. Students, who successfully complete the Supervision and Management degree program, will gain technical hands-on skills through case studies and a capstone project, which will include analysis and problem solving through simulations and similar activities. This program will focus on current and emerging issues in business and management, such as financial markets, international trade, human resources, and will focus on developing comprehensive solutions to real-world problems associated with current management and organizational leadership challenges. Students will acquire knowledge related to the major concepts, principles, and techniques associated with leading cultural diversity in the global marketplace. General program outcomes for the BAS degree programs are comprised of specific learning objectives embedded into each of the courses.

### **Supervision and Management –Program Code T100 Technology Management Program Code T 200 Information Technology Program Code T 300**

#### **Financial Aid**

Students may be eligible for financial aid at the junior level when the following occurs:

1. earned associate degree;
2. earned 60 credits toward a Bachelor degree program of study; and
3. enrolled in upper division coursework applicable to their Bachelor degree program of study.

#### **Graduation Requirements**

The Bachelor of Applied Science degree will be awarded to students who meet the following requirements:

- A minimum of 120 semester credit hours in the prescribed coursework is required for the Bachelor of Applied Science degree. Coursework is comprised of both lower division (AS, AAS, AA) and upper division (BAS) as specified by the program sheet.
- Successful completion of the Capstone Project.
- Students must maintain an overall GPA of 2.0 to meet their graduation requirements.
- Complete eight credits in one foreign language or American Sign Language students who have completed two years of high school foreign language in one language are considered to have met the requirement. Students who have earned an Associate in Arts degree from a Florida Community College or State University System (SUS) institution before the Fall term of 1989, or who have maintained continuous enrollment in a Florida community college or SUS institution before the Fall term, 1989, are exempt from the requirement.
- Be recommended for graduation by the faculty of the student's major field department.

**BACHELOR OF APPLIED SCIENCE PROGRAMS  
Supervision and Management –Program Code T100**

**Program Description:**

The Bachelor of Applied Science Degree in Supervision and Management is designed to provide individuals who hold an Associate in Science (AS) or Associate in Applied Science (AAS) degree the opportunity to further their education. Students completing this program will have the skills and knowledge required to become successful managers and leaders within public, private, and non-profit organizations. The curriculum offers a learner-centered practical approach to understanding supervision and management.

<b>BAS SUPERVISION AND MANAGEMENT DEGREE COMPONENTS</b>	
<b>Earned Associate in Science or Associate in Applied Science Degree</b>	
<b>General Education Core Requirements Credits: AS or AAS degree holders will have completed a minimum of 15 of the 36 required general education hours as a part of their AS or A. A. S. degree</b>	<b>36</b>
<b>LOWER DIVISION COURSEWORK FROM AS or AAS in semester credit hours</b>	<b>46</b>
<b>Note:</b> Foreign language competency: Complete two years of the same foreign language in high school or complete requirement prior to graduation at the postsecondary (college) level.	
<b>UPPER LEVEL PROFESSIONAL COURSEWORK in semester credit hours</b>	<b>38</b>
<b>TOTAL</b>	<b>120</b>
<b>NOTE:</b> Students with an Associate in Arts degree (AA) or 60 credit hours without a degree may be admitted to the program upon recommendation of the Dean for Business, Technology and Management and the Dean for Student Affairs.	

**UPPER DIVISION PROFESSIONAL COURSEWORK  
(Sample Course Sequence)**

**First Semester Junior - Term 1**

MAN 3240	Applied Organizational Behavior	3
GEB 3213	Business Writing	3
MAN 3303	Management and Leadership	3
MAC 1105	College Algebra	3
<b>Total term credit hours</b>		<b>12</b>

**Second Semester Junior - Term 2**

MAN 3162	Customer Relations for Managers	3
MAN 3310	Human Resource Management	3
BUL 3130	Business Law and Ethics	3
GE Course	General Education Science <sup>♦</sup>	3
GE Course	General Education Science Lab <sup>♦</sup>	1
<b>Total term credit hours</b>		<b>13</b>

**Third Semester Junior - Term 3**

## Bachelor of Science in Education Degree Program Exceptional Student Education Program – Program Code S100

### Program Description

The Bachelor of Science in Education for Exceptional Student Education is designed to qualify its graduates to teach ESE placements in grades K-12. Admission to Broward College does not constitute admission to the Teacher Education programs; a supplemental application is also required. Students must meet all Teacher Education Program admission requirements before acceptance into the program. In addition to the required coursework, students must pass the Florida Teacher Certification Exams.

The Bachelor of Science in Education uses a 2+2 model requiring the completion of an Associate of Arts Degree, or at least 60 semester credit hours of postsecondary education from a regionally accredited college or university for entry into the program; these must include 36 hours of General Education Core Requirements. (See below).

<b>B.S. EXCEPTIONAL STUDENT EDUCATION COMPONENTS</b>	
<b>LOWER DIVISION COURSEWORK in semester credit hours</b>	<b>60</b>
<b>Associate Degree Program of Study Program Electives</b> (to include EDF1005, EDF2085, EME2040)	24
<b>General Education Core Requirements Credits:</b> Communication (9), Math (6) Humanities (6) Social Behavioral Science (6) Biological Science (3) Physical Science (3) Lab (1), Wellness (2)	36
<b>Foreign Language Requirement:</b> Students are required to have 2-years of sequential foreign language studies from high school or 8 semester credit hours from college prior to graduation of Bachelor of Science degree.	
<b>UPPER DIVISION COURSEWORK in semester credit hours</b>	<b>60</b>
<b>TOTAL</b>	<b>120</b>

### UPPER DIVISION COURSEWORK

#### First Semester Junior - Term I

EDP 4004	Principles of Educational Psychology	3
RED 3342	Foundations of Reading *	3
TSL 3080	ESOL Issues & Strategies I *	3
EEX 3011	Introduction to ESE*	3
EDF 3280	Instructional Strategies*	3
EDF 4930	Special Topics	1
<b>Total term credit hours</b>		<b>16</b>

#### Second Semester Junior - Term II

#### Mission Statement

Consistent with the mission of the College and building on the mission of the Associate Degree nursing program, the faculty of Broward College's RN-BSN Nursing program are committed to achieving student success by preparing baccalaureate nurse generalists for the role of provider of direct and indirect care, designer, manager and coordinator of that care, and a member of the nursing profession (CCNE, 2008).

The mission of the RN-BSN Program is to prepare a professional and competent nurse who practices in a dynamic health care environment across communities, populations, and life-spans; providing leadership to promote and improve global health; is committed to the advancement of nursing knowledge and practice, celebrates diversity, and aspires to lifelong learning and achievement.

#### Program Philosophy

The faculty believes that nursing is a discipline in which the holistic needs of the person are met in a variety of settings. The body of knowledge that serves as the rationale for nursing practice and is held to be of most value in the discipline of nursing includes: (1) empirics, the science of nursing; (2) esthetics, the art of nursing; (3) knowing, the component of personal knowledge in nursing; and (4) ethics, the component of moral knowledge in nursing. (Carper, 1978). The essence of nursing is situated in practice-oriented, person-centered caring, guided by ethical decision-making and shaped by internal and external environments, diverse family and community structures, and engagement with the larger community, both locally and globally, increasing global interdependence, and social, political, professional, and economic systems.

**NURSING**  
**Bachelor of Science in Nursing Program Major Code N100**

**Program Description**

The Registered Nurse to Bachelor of Science in Nursing (**RN-BSN Program**) is offered as a face-to-face or online post-licensure program intended to provide an increased educational opportunity for unrestricted and unencumbered licensed Florida Registered Nurses (RNs). RNs applying to the program must have earned an Associate of Science (AS) Degree in nursing to matriculate into a baccalaureate degree program. This one hundred twenty (120) credit hour program incorporates the Associate of Arts (AA) and the AS lower division coursework as the foundation of the baccalaureate program.

**EDUCATOR PREPARATION INSTITUTE (EPI)**  
**Major Code F100**

---

**Educator Preparation Institute (EPI)**

The EPI is an accelerated alternative certification program that targets individuals who currently hold at least a bachelors degree in an area of study other than education. The EPI provides the knowledge and tools needed to obtain a Florida Professional Teaching Certificate.

**Admission Requirements:**

Individuals are required to:

- hold at least a baccalaureate degree from a regionally accredited college/university
- have an undergraduate GPA of 2.5 or higher
- have or be in the process of obtaining a [Statement of Eligibility](#) from the Florida Department of Education
- complete a [BC credit application](#) as well as the supplemental [EPI application](#).
- request all official (sealed) transcripts to be sent to BC

The final phase of the admissions process is a face-to-face interview. All applicants must be interviewed before they can be accepted into the program. The interview provides the EPI staff the opportunity to evaluate the applicant's disposition, motivation and educational goals.

**Curriculum:**

The EPI program is 21 credits consisting of 7 courses and 2 field experiences. The EPI is a "packaged" program and therefore all students are required to complete the full

21 credits. Students are also required to maintain a 2.5 GPA throughout the program.

BC's EPI program is a fully online program. Many faculty members choose to have optional face-to-face meetings throughout the semester to support and enhance the student's learning experience. The [EPI courses](#) are:

- Classroom Management
- Instructional Strategies
- Technology
- The Teaching and Learning Process
- Foundations of Research Based Practices in Reading
- The Teaching Profession with Field Experience
- Diversity with Field Experience

**Additional Completion Requirements:**

In addition to the 21 credits, students are required to create an electronic portfolio to document their competency of the [Florida Educator Accomplished Practices](#). Students are also required to take and pass all sections of the [Florida Teacher Certification Examinations](#) (the General Knowledge, the Subject Area, and the Profession Education Exams).

**Contact Information:**

Contact the [EPI office](#) for more information at [www.broward.edu](http://www.broward.edu) or 954 201 4538
