## General Information

THE DEPARTMENT OF CONTINUING EDUCATION AND WORKFORCE DEVELOPMENT provides continuing education offerings for health professionals seeking to update and increase their knowledge and skills on a continuum. Courses may be geared specifically to one group of professionals or may be appropriate for a variety of health care providers. It is our belief that appropriate inter-professional collaboration in programming fosters interaction among health care practitioners that improves the quality of health care.

CONTINUING EDUCATION/WORKFORCE DEVELOPMENT CREDIT/NON-CREDIT COURSES are offered, with the focus to provide current healthcare information to meet the training needs of the health care industry, as well as providing courses that meet the state/national mandated license renewal requirements of health care professionals.

MANDATORY ENTRY-LEVEL COURSES FOR PRE-HEALTH SCIENCE STUDENTS INCLUDE: Health Care Career Core; HIV/AIDS; Domestic Violence; TB/OSHA/Hepatitis and Basic Rescuer for Health Care Providers.

CLASS ATTENDANCE: Class attendees must provide health care professional license numbers during sign in. The information will be submitted to the appropriate state agencies for license renewal purposes.

CERTIFICATES: A certificate will be given to all participants who have successfully completed the course and registration requirements. Be sure to get your certificate at the conclusion of the course. Participants must attend the entire offering. Partial credit cannot be given. LATE ARRIVAL or EARLY DEPARTURE will result in loss of all credit. There will be a fee charged for duplicate certificates.

PLEASE NOTE: Fees being charged for ACLS and BLS courses do not in any way constitute revenue to the Broward Chapter of the American Heart Association. As of May 7, 2011, FBN has adopted the position of the American Nurses Credentialing Center (ANCC). No CEU's will be provided for Basic Life Support and renewals. No CEU's for Advanced Cardiac Life Support (ACLS) renewal, and Pediatric Advanced Life Support (PALS) renewal. Students taking more than one certification course (ACLS, PALS, NRP) will be awarded only 16 CEU's each biennium.

## Registration

The Florida State Legislation mandates that those students who have NOT been a resident in the State of Florida for one (1) year may have to pay out-of-state fees for credit courses. Advance registration is preferred 10 days prior to all continuing education activities. Register TWO WEEKS PRIOR TO THE OFFERING. Registration after that time must be completed at any campus registration office in person. Priority will be given to early registrants. Early registration is encouraged to ensure a place in the class. Fees may vary according to the type of offering (unless indicated, meals and breaks are not included). Registration fees are payable at the time of registration.

THREE-WAYS TO REGISTER: Please call 954-201-7800 for registration information.

- ONLINE at [www.broward.edu/cehealth](http://www.broward.edu/cehealth)  
Follow the directions for Application, Registration and Payment.
