

Broward College
Bachelor of Applied Science Degree Programs
 Supervision and Management Program – Program Code S 600

Program Description

The Bachelor of Applied Science Degree in Supervision and Management provides individuals who hold an Associate in Science (A.S.) or Associate in Applied Science (A.A.S.) degree the opportunity to further their education. Students completing this program will have the skills and knowledge required to become successful managers and leaders within public, private, and non-profit organizations. The curriculum offers a practical approach to understanding supervision and management.

Lower Division Requirements

General Education: Students should have completed a minimum of 15 semester hours of general education requirements as part of their A.S. or A.A.S. degree. The remaining general education semester hours (totaling 36) will be completed during the baccalaureate degree. Students must meet all of the State of Florida Baccalaureate general education requirements to be awarded the Bachelor of Applied Science (B.A.S.) degree in Supervision and Management. Students with an Associate in Arts degree (A.A.) may be conditionally admitted to the program upon Dean’s approval. It is strongly recommended that students see their academic advisor or counselor and develop an educational plan, which will guide them each semester.

General Education B.A.S. Graduation Requirements:

- Broward College’s general education requirements (36 semester hours)
- Foreign language competency: Complete (with passing grades) two years of the same foreign language in high school or complete requirement prior to graduate at the postsecondary (college) level.
