BC Foundation Installs New Board of Directors

At the heels of a successful fundraising year for 2008, the Broward College Foundation welcomed a new board of directors with the mission to continue the momentum started by the previous leaders of years past.

“It was a banner year for fundraising that yielded more than \$5.7 million in scholarships thanks to the sustained efforts and passionate commitment of a prudent board and long list of generous donors,” said Nancy Botero, Executive Director of BCF. “The board led an aggressive approach to fundraising. With the continued work of the current members who have stepped up to the plate to serve as new board of directors, I look forward to continued success for 2009.”

The new board of directors for 2009 is as follows:

Michael G. Landry, Chair
Owner/Proprietor
The Pillars at New River Sound

Ray Kendrick, Vice Chair
Chief Human Resources Officer
Memorial Healthcare System

Teresa Sjogren, Secretary
Attorney At Law

Phillip E. Harlow, Treasurer
Chief Financial Officer
Morgan Property Group

The new board of directors was installed at the Broward College Foundation’s annual board meeting on February 26 at Broward College Willis Holcombe Center in downtown Fort Lauderdale.

About the BC Foundation

The BC Foundation awards more than \$2 million in scholarships annually to BC students and supports academic programs and awards for outstanding faculty. While the State of Florida funds approximately 62 percent of BC's operating budget, the balance must be raised from individuals, corporations and institutions.

The mission of the Broward College Foundation is to support the college by providing advocacy, community awareness and financial support to the college, its students, faculty and staff. Led by its Board of Directors, the foundation raises funds, conducts programs and practices stewardship that increases the effectiveness of the college in meeting community, student, faculty and staff needs.
