About the Broward College Foundation The mission of the Broward College Foundation is to change lives through education by providing community awareness, advocacy and financial support to Broward College. The Broward College Foundation awards more than \$2 million in scholarships annually to Broward College students and supports academic programs and awards for outstanding faculty. While the State of Florida funds approximately 62 percent of Broward College's operating budget, the balance must be raised from individuals, corporations and institutions. Led by its Board of Directors, the foundation raises funds, conducts programs and practices stewardship that increases the effectiveness of the college in meeting community, student, faculty and staff needs.

The mission of Broward College is to achieve student success by developing informed and creative students capable of contributing to a knowledge- and service-based global society. As a public community college accredited to offer associate degrees, selected baccalaureate degrees, and certificate programs, the institution and its District Board of Trustees are committed to fostering a learning-centered community that celebrates diversity and inclusion by empowering and engaging students, faculty, and staff. For more information or to contribute to the Foundation, please call 954-201-7414 or visit www.broward.edu/foundation.
