About the Broward College Foundation

The Broward College Foundation awards more than \$2 million in scholarships annually to Broward College students and supports academic programs and awards for outstanding faculty. While the State of Florida funds approximately 62 percent of BC's operating budget, the balance must be raised from individuals, corporations and institutions. The mission of the Broward College Foundation is to support the college by providing advocacy, community awareness and financial support to the college, its students, faculty and staff. Led by its Board of Directors, the foundation raises funds, conducts programs and practices stewardship that increases the effectiveness of the college in meeting community, student, faculty and staff needs.
