

AVIATION INSTITUTE
Airport Operations Management Associate in Science Major Code 21051[§]

Program Description

The Airport Operations Management Associate in Science degree prepares students for an operations agent position. Operations agents are responsible for airfield inspections, communications and emergency centers of airports. They apply regulatory requirements of the airport and the security, safety and legal concerns of aviation on the ground. Student can gain real world experience of the day-to-day activities in the field while learning the certification requirements of airports.

Aviation Maintenance Management Associate in Applied Science Major Code A005
 Aircraft Airframe Mechanics Vocational Certificate Major Code 5272
 Aircraft Power Plant Mechanics Vocational Certificate Major Code 5273
 Avionics Vocational Certificate Major Code 5299

§Students can earn a degree from 2105 (2105E) or 21051, but not from both of these programs.
