

Professional Pilot Technology Associate in Science Major Code 2107

Program Description

The Professional Pilot program, offered at Judson A. Samuels South Campus, provides the flight and ground school requirement for the private and commercial pilot certificates with instrument rating, as well as an Associate in Science degree. The flight instructor certificate and multi-engine ratings are optional. The ground school is fully approved by the FAA and the College is certified as an FAA Air Agency under Federal Aviation Regulations Part 141. BC's Aviation Institute works closely with industry to place our graduates. Many students start their aviation careers while attending Broward College. Recent graduates are working as flight instructors, corporate pilots and airline pilots. Most airlines hire pilots with college degrees. BC's Professional Pilot degree is highly regarded in the industry. Students who wish to obtain a bachelor's degree can transfer BC's credits to a four-year institution such as Florida Atlantic University or Embry-riddle Aeronautical University.
