

Business Administration Associate in Science Degree Major Code 2119E

Program Description

The Associate in Science degree in Business Administration, offered at A. Hugh Adams Central, North, and Judson A. Samuels South Campuses, trains individuals to assume management or supervisory positions in business, industry, and government. It provides basic skills in a broad range of business functions including accounting computer usage, management, and marketing. Successful completion of this program earns the student entry into any university in the State University System as part of the AS to BS program.
