

## RADIOGRAPHY

### Hospital Based Radiography Associate in Science Degree Major Code 21311 ‡

---

#### **Program Description**

This program provides a means for graduates of accredited hospital-based two-year programs to obtain an Associate of Science Degree in Radiography. To qualify for this program, applicants must be currently registered as a radiographer, nuclear medicine technologist, radiation therapists, or diagnostic medical sonographer.

The general education courses in this degree are offered at all BC locations.

#### **Related Programs**

Radiography Associate in Science Degree Major Code 2131 §

§Students can earn a degree from either 2131 or 21311, but not both programs.

#### **General Entrance Requirements**

- HS Diploma or GED
- PERT

The PERT test places students into preparatory level reading, writing and math courses designed to prepare them for college-level coursework. Recent ACT or SAT score may also be used for placement. For more information, see <http://www.broward.edu/testing/>. Students who test into college prep courses must successfully complete all of the required coursework to qualify for graduation.

#### **Criteria for Admission to the Associate in Science Degree for Hospital Based Radiography Graduates**

- Applicants must fulfill the Health Science Program admission requirements and be certified or licensed in their respective modality. Students will need to submit an Experiential Learning Application for previous training or experience. Contact the Associate Dean for Medical Imaging at 954 201-2352 for more information.
- Document satisfactory completion of college preparatory courses if required.

#### **Requirements for the Associate in Science Degree for Hospital Based Radiography Graduates**

- Meet BC's graduation requirements as listed in the Academic Programs and Graduation Requirements section of the College Catalog.
- Completion of a minimum of 77 credits hours which includes 48 semester hours of credit for previous training or experience with a degree GPA of 2.0 or higher.
- Complete the following with a grade of "C" or higher in all degree courses.
